Dear Hiring Manager,

I am writing to express my interest in the Associate Analyst position at EY, as advertised. With a solid academic foundation in programming and a strong passion for solving real-world problems, I am excited about the opportunity to contribute to your team while gaining hands-on experience in the field.

I am currently pursuing a Master's in Computer Application (MCA) from Amal Jyothi College of Engineering Autonomous, where I have developed a strong understanding of programming concepts and excellent communication skill. I am eager to utilize my skills and enthusiasm with your team, while also learning from the experienced professionals at EY. I am confident that my academic background, combined with my passion to grow in the field of IT, will allow me to contribute effectively to your company.

Thank you for considering my application. I am available for an interview at your convenience and can be reached at 9526372469 or via email at nimyathomas29@gmail.com.
